## Section E – What Certain Words Mean

Policy Reference	Description
<b>Cyber Event - Privacy Error</b>	<p><i>Definition expanded to include all Cyber Event Response costs.</i></p> <p><b>privacy error</b> where acts or omissions by <b>your</b> employees lead to unauthorised access to, unauthorised disclosure of or loss of data (including non-electronic data) which necessitates incurring <b>cyber event response costs</b>.</p>
<b>Cyber Event</b>	<p><i>Clarified that a cyber event that results from artificial intelligence is covered.</i></p> <p><b>We</b> agree that any loss under this <b>policy</b> in respect of a <b>cyber event</b> that results from or is enabled by the use of artificial intelligence (AI), is covered provided the loss otherwise falls within the terms and conditions of this <b>policy</b>.</p>
<b>Impact on Business Costs</b>	<p><i>Clarified when waiting periods commence.</i></p> <p>The waiting periods which commence when <b>you</b> first discover a <b>cyber event</b> or the first interruption due to a <b>system failure</b> are stated on <b>your schedule</b> and may be different.</p>
<b>Incident</b>	<p><i>New definition of incident.</i></p> <p><b>incident</b> means a <b>cyber event</b>, a <b>system failure</b>, a <b>preventative shutdown</b>, a <b>claim</b>, <b>multimedia injury</b>, a <b>Payment Card Industry liability</b>, <b>supplier system failure</b>, <b>cyber theft</b>, <b>push payment theft</b>, <b>physical goods theft</b>, <b>social engineering theft</b>, <b>telephone phreaking</b> or <b>cryptojacking</b> that arises out of an event or series of events that is attributable to one original source or cause.</p>
<b>Limit</b>	<p><i>Modified definition to apply to any one incident.</i></p> <p><b>limit</b> means the amount set out in <b>your schedule</b> for each of Section A – Losses to Your Business, Section B – Loss to Others, Section C – Cyber Event Response and Section D – Optional Covers and applies to any one <b>incident</b>. Any sublimit is stated in <b>your schedule</b> and is included in the <b>limit</b> for any one <b>incident</b>.</p>
<b>Socially Engineered Theft</b>	<p><i>Modified definition to remove 'unintended' and include facts communicated through deepfake or the use of artificial intelligence.</i></p> <p><b>socially engineered theft</b> means an electronic transfer to a third party that results in <b>direct financial loss</b>. The transfer must be made in connection with <b>your business</b> by <b>your</b> employee in good faith, in reliance upon intentionally misleading material facts including facts communicated through deepfake or the use of any other form of artificial intelligence (AI) communicated through <b>your IT</b>, having believed such facts to be genuine and true. <b>Socially engineered theft</b> does not include <b>cyber theft</b>, <b>push payment theft</b>, <b>physical goods theft</b> or <b>identity-based theft</b>.</p>
<b>We/our/us</b>	<p><i>Expanded to include lead underwriter.</i></p> <p><b>we/our/us</b> means certain underwriters at Lloyd's lead by Markel Syndicate Management – Syndicate 3000 (the underwriters), as insurers of this <b>policy</b> and Emergence acting on behalf of underwriters as the issuer of this <b>policy</b>.</p>
