

# personal cyber protection

Cyber insurance cover for families and individuals.

Our lives increasingly take place online. From identify theft and cyberstalking, to cyber events and cyber bullying, digital risks are now part of everyday life. Personal Cyber Insurance helps protect you against the financial, reputational and technical impacts of cyber incidents.

## PERSONAL CYBER PROTECTION KEY FEATURES

### CYBER EVENT COVER

Covering personal financial losses due to hacking, malware and viruses.

### PERSONAL CYBER CRIME COVER

Providing cover for cyber theft, simjacking and cryptojacking.

### IDENTITY THEFT COVER

Helping you re-establish your identity and records.

### CYBER BULLYING

Providing access to counselling to help a family support their child impacted by cyberbullying.

### CYBER STALKING

Covering the costs for cyber professionals to put an end to being watched, followed and tormented online.

### CYBER HARASSMENT

Helping you recover from personal cyber harassment; covering you for legal costs and costs of professionals to assist in repairing your reputation.

## 24/7 INCIDENT RESPONSE

If something goes wrong, policyholders have access to a 24/7/365 incident response hotline, with experienced specialists guiding you step by step – so you can respond quickly, reduce the impact, and recover with confidence.

### REPORT A CYBER INCIDENT

Call our 24/7 incident hotline. We're always here, day or night.

**1300 799 562**

### GET IMMEDIATE GUIDANCE

Our Incident Response Team is here to listen, assess, and talk you through the next steps.

### RECOVER WITH CONFIDENCE

We guide you through recovery – technical, financial and reputational.
